About Us

PARÉ stands as a prominent figure in the building material sector, renowned for delivering premium surfaces for ceilings, walls, and facades.

At PARÉ, we are dedicated to leading the charge in innovation, continually introducing unprecedented surfaces that set new standards in India. Situated in Mumbai, our commercial headquarters, and boasting a cutting-edge manufacturing facility near Vapi, Gujarat, PARÉ is strategically positioned to cater to the requirements of our esteemed clientele. With founders deeply ingrained in the building material industry, our journey has been marked by pioneering strides in the Innovative Products revolution.

Innovation

PARÉ prides itself on its state-of-the-art manufacturing unit, which utilizes advanced European manufacturing technology to manufacture products of superior quality. It has launched quite a few products while being the first manufacturer in India for most of them.

PARÉ has been a pioneer in introducing many new products to the Indian market. Our commitment to quality and innovation has helped it become a leading player in the Industry.

HEAT TRANSFER TECHNOLOGY

Discover the transformative magic of PARÉ's heat transfer technology, seamlessly merging layers into one on our panels.

Experience the timeless elegance of wood or marble, or embrace the modern allure of stunning pastel shades adorning your wall and ceiling panels. Our innovative technique ensures a flawless fusion of aesthetics and functionality, delivering unparalleled beauty and durability to elevate any space with sophistication and style.

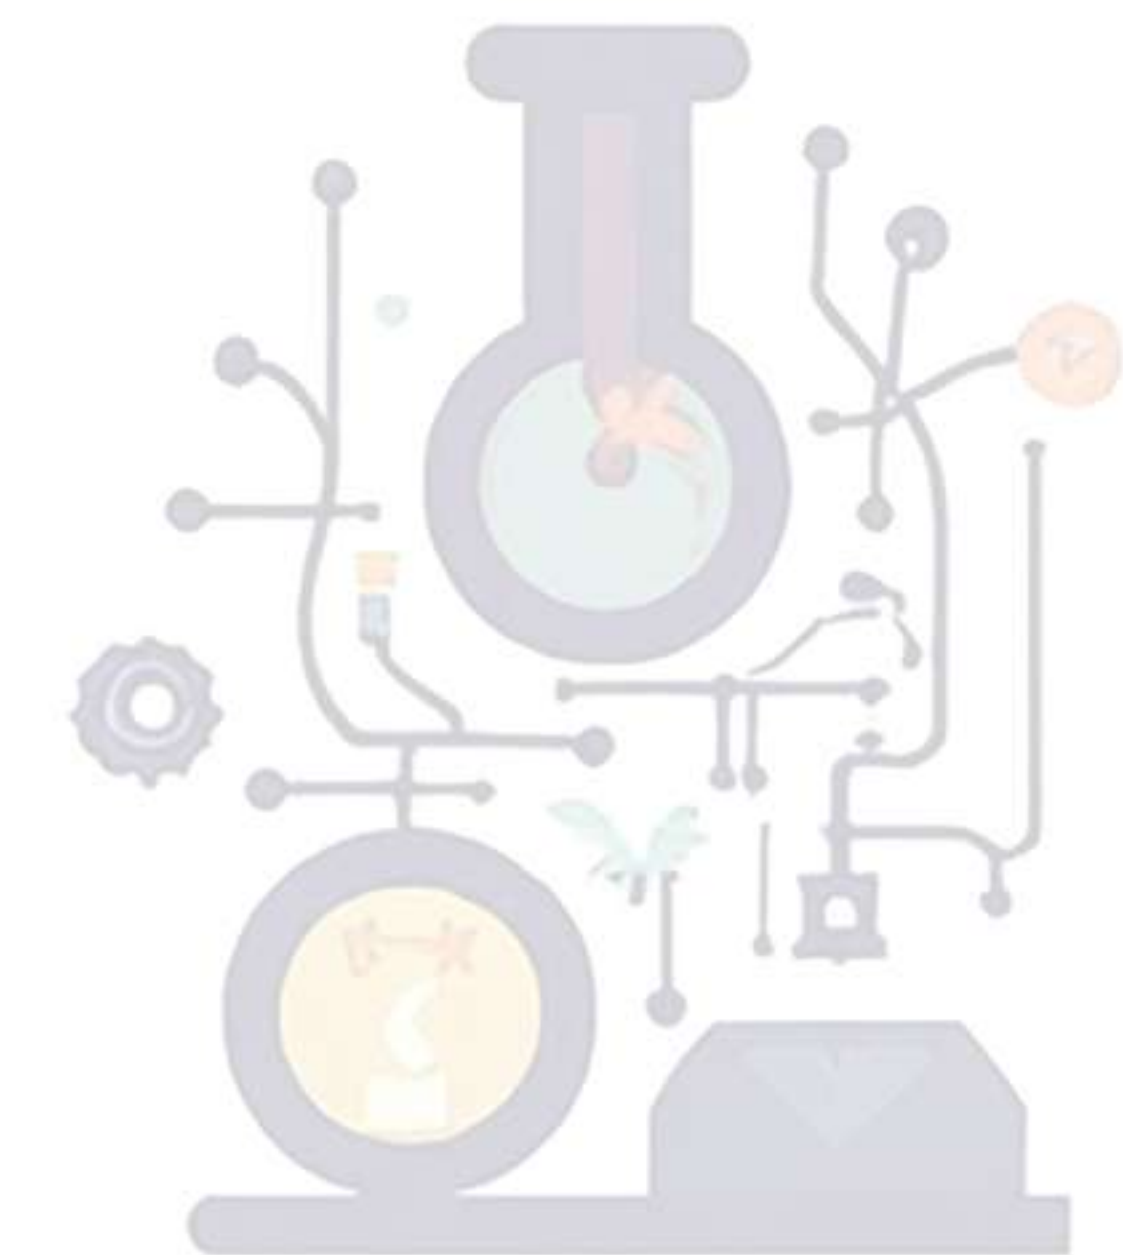

FIRST TIME IN THE WORLD

Discover our revolutionary interior solutions, setting new standards in design and reshaping spaces not only across India but globally, with our unparalleled range of First time in India and first time in the world products.

Among these innovations is our remarkable EASY+ Technology, a world-first product that stands as a marvel in its own right, offering swift installation, cost-effectiveness, and exceptional aesthetic appeal.

RESEARCH & DEVELOPMENT

PARÉ pioneering R&D team, tirelessly pushes boundaries to introduce world-first ceiling and wall paneling solutions. Backed by a fusion of expertise and technical prowess, ur team spearheads groundbreaking advancements, setting a new

ADVANCED INTERLOCKING
